

# COMPANY PROFILE

**“Our preparations are UNIQUE...because they're crafted just for YOU!**

**PURE  
TASTE  
IN  
POWDER**

# Who we are

We are manufacturers of soluble powder blends for beverages and foods, such as sorbets, slushies, hot chocolates, flavored coffees, mousses, smoothies, hot and cold beverages and desserts, designed for the Ho.Re.Ca. and vending machine sector.

For over 25 years, we have been committed to responding to market needs by providing customizable solutions to guarantee excellent results for our customers.

Quality and satisfaction are our pillars, thanks to the use of the best GMO free and gluten free raw materials, strictly Made in Italy, to guarantee the best results for our customers.

# OUR MISSION

We want to be your trusted partner, offering innovative and customized solutions that meet the demands of end customers. We aim to create lasting partnerships, providing high-quality products that optimize service and guarantee excellent results.

We create experiences through authentic flavors and high-quality ingredients, ensuring every day products that enhance taste and simplicity, wherever you are.
